

Children Ministry Parent's Newsletter

March/April 2009

Leadership Team : Bernice Lau, Melody Ng, Sarah Hui, Rebecca Lau, Mrs. Chan, Tina Lau, and Amy Chow

A Note from Children Ministry Director

- ☺ **Tentative evacuation Plan** – is posted at the Children Bulletin Board
- ☺ **Wonder Devotional Book** – Please purchase **BOOK #6** from your Sunday School Teachers (FYI: this is optional. But we do **HIGHLY recommend** the children to start developing a habit of having daily devotion when they are young. As a reward, they will be collecting tokens by completing and sharing their devotion.)
- ☺ **Children Library** – we are organizing our children library. We will be placing more books in the library to enrich our children. Please **DO NOT** donate any books without noticing any leaders. We want to protect your child and our church by selecting appropriate books.
- ☺ **Easter Sunday (4/12)**– K-5th grade Classes will be combined that day @ Room 105
- ☺ **Video game & i-pod** – Please remind your child that any electronic device is prohibited in Children Ministry. Please keep them in the car or at home.
- ☺ **Mother's Day Sunday**– we are planning to have all children (K- 5th grade) to sing in congregations to celebrate the mother's day & the 40th anniversary for our church.

Nursery/Toddlers

- ♥ **Cleaning** – Babysitter will clean the room/toys every 1st week of the month
- ♥ **Rotation** – Babysitters in the nursery room will be rotating each week due to the needs and the budget. Rotation list will be post outside the bulletin board. **If you have any question or concern, you can contact our leaders Bernice Lau/ Melody Ng**

After School Program

- ♥ Every week, our students used to go to the Parkside Library to read or check out books. However, it is closed for renovation since February for the next 2 years. As we believe "**reader makes leader**", we will continue the "library time" in our Center. We have already started a small collection in our "ASP Library". If you want to widen the students' selection by donating books (new or used, K to 5th grade reading level), **please drop off at children dept. (Drop-off box ONLY) Thanks!**
